Montera Collection

design AtelierNanni — 2017

The **Montera collection**, designed by **Ateliernanni** - <https://www.midj.com/products/designers/ateliernanni>, is a hybrid between a chair and an armchair, which carefully calibrates volumes and functions and it is characterized by a modern appeal that adapts to home and contract use.

The Nordic design of the Montera chair hides a high level of functionality: the backrest is expertly shaped for comfortable everyday use.

Montera chairs can be customized with a wooden seat or upholstered in leather, faux leather, hide or fabric.
