Nenè Collection

design Paolo Vernier — 2013

The **Nenè collection**, designed by **Paolo Vernier** - <https://www.midj.com/products/designers/paolo-vernier>, is based on concepts of efficiency and practicality. The simple shapes of the classic chair led to a new collection, characterized by a fresh and contemporary design thought for both residential and commercial use, and suitable for either indoor and outdoor spaces. Nenè's lightness can also be found in the table collection. Tables are available in different sizes, materials, and finishes, maintaining a fresh and practical design.
