Pippi Collection

design Roberto Paoli — 2019

INNOVATION, SOFTNESS, DESIGN

Designed by **Roberto Paoli** - <https://www.midj.com/products/designers/roberto-paoli>, the new **Pippi collection** includes chairs, armchairs, and lounge chairs with armrests, two stools available in different heights and a coat hanger.

Two curved metal tubes make up the original structure of the Pippi collection, fully covered with a single coating of slightly padded bielastic fabric, which perfectly dresses the chair.

The collection is extremely versatile and customizable thanks to the wide range of colors available both for the fabric and for the chairs' steel feet.

The Pippi collection was awarded the **Good Design Award 2019**, decreeing its elements among the best furnishing accessories on the world design scene. In 2021 it wins a **German Design Award**.
