Bolle Collection

design Paola Navone — 2022

The **Bolle collection** was created for the outdoors and includes sofas, armchairs, lounge, coffee tables and lamps in macro-perforated colored metal, with a soft and playfully captivating aesthetic. The name Bolle derives from the special processing of the metal shells, which produces a texture with a strong graphic impact. Indeed, Bolle means *bubbles*.

The simple yet sophisticated image of the entire collection reveals **Paola Navone** - <https://www.midj.com/products/designers/paola-navone-en>'s ability to propose an imaginary linked to her particular Mediterranean taste. The seats are presented as super enveloping shells, to be customized with soft cushions: for limitless comfort, even when away from home. The lamps are perfect for illuminating terraces, gardens and dehors, creating joyful and surprising atmospheres with plays of light and shadows.
