Hoodi Collection

design Roberto Paoli — 2022

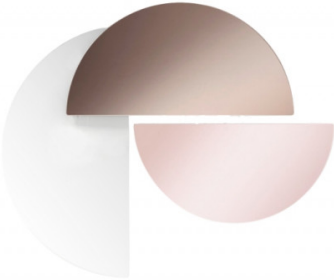

The Hoodi collection includes different accessories: two **console**s of different sizes. The consoles are made with a three-legged base and top entirely in metal, ceramic, hide or Tuscan hide.

The Hoodi collection also includes a kit consisting of **three wall mirrors** with bronzed, silvered, and smoked rear-frames. The three mirrors, each of different sizes, can be adjusted as desired.

The collection also includes three **wall shelves** made of metal available in different sizes. It is possible to choose whether to fix the shelves to the wall with the semicircle facing downwards or upwards.

The collection is completed by the coffee table with a three-legged metal base and top in metal, ceramic, or covered in hide or Tuscan hide.
