Yak Collection

design Nicola Bonriposi — 2024

Innovative and modular

Yak, designed by Nicola Bonriposi, is an innovative and modular sofa inspired by the resilience and versatility of its namesake animal. Made from recyclable materials, Yak embodies eco-conscious design principles while ensuring easy maintenance and longevity.

Built with durability in mind, Yak features a sturdy yet lightweight shell, making it suitable for both indoor and outdoor use. Just as a yak moves effortlessly across diverse terrains, the Yak sofa adapts to various environments, embodying adaptability and functionality.
