

Suspense sol

design Studio F+B Design, 2020

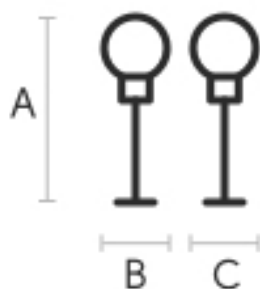

Suspense floor lamp with direct diffused light. The diffuser is made of frosted glass and is adjustable in height along the support bar.

The structure is made of metal in the single black color variant. The white and opal light runs along the band in an exercise of timeless forms.

Sur le câble d'alimentation électrique, il y a l'interrupteur au pied on/off. Le câble a une longueur de 2 m et est recouvert de soie noire.
